

Philips ISIS  
Single electronic breast  
pump

Out and about set

SCF292

## Designed for Comfort

Inspired by nature

Our unique pump is designed with an electronic memory that puts you in control by learning and continuing your personal pumping style.

### Stimulate and Express

- Soft massage cushions trigger natural let-down, like baby.
- Gentle vacuum mimics baby's suckling for steady milk flow

### Use three ways

- By mains power, battery power and manual

### Helps you breastfeed longer

- More milk, naturally.

### Benefits and features:

- With insulated travel bag and cool packs
- Learns and continues your pumping rhythm

Soft massage cushions

**PHILIPS**  
sense and simplicity

Single electronic breast pump  
Out and about set
